

# nextlight core

commercial series

## High Efficiency. High Quality. HIGHER YIELDS.

### Use for Flowering in Restricted Spaces

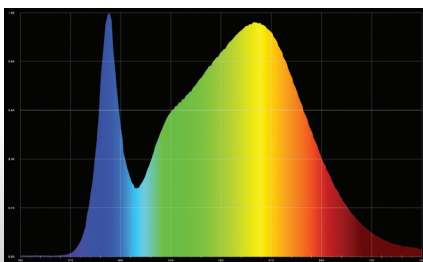

The NextLight Core is a full spectrum bright white LED grow light. We harnessed the same high intensity light of the NextLight Mega and redesigned it for use in smaller spaces. The NextLight Core is an enhanced version of its predecessor, the NextLight Mini. Boasting a 50% increase in light output and using only 190 watts, this light is perfect for small tents and any space where venting and air conditioning is an issue.

### Unit Footprint/PPF

- Flower: 3 ft x 3 ft
- PPF: 380
- Veg: 4 ft x 4 ft
- PPF/Watt: 2.0

### NEXTLIGHT CORE TECHNICAL SPECIFICATIONS

SPECIFICATION	NEXTLIGHT CORE
Operating Voltage	120 - 277 VAC
Operating Frequency	60 Hz
Input Current	1.6A @ 120V, .8A @ 240V
Energy Use	190 Watts
Operating Temperature	-4°F to 104°F (-20°C to 40°C)
BTU Output	640
Dimensions (in)	22 x 20.9 x 2.5
Dimensions (mm)	558.8 x 530.86 x 63.5
Weight	9 lbs (4.08 kg)
Warranty	5 Years Full
Life Rating	100,000 hours @ 77°F
UL Approved	Damp, Dry

NextLight's Full Spectrum has been specifically designed to outperform the HPS spectrum, providing the same sun-like qualities plants love without the negatives of high energy requirements and high heat.

### Commercial Series Universal Specifications

- Full Spectrum LED
- Bright White
- Life Rating: 100,000 hrs
- UL Certified 
- Warranty: 5 Years Full
- No Bulb Replacements
- Operating Volts: 120v - 277v
- Made in the USA  Of US & Imported Parts
